WORKING IN PARTNERSHIP

FINDING SOLUTIONS

RAISING ACHIEVEMENT

Why work with educationGateshead

We share a clear, common purpose with you to do the very best for children and young people, their families and their communities.

We will be honest with you when hard messages are needed, but will be there to help you to make the improvements necessary.

We have significant collective experience of teaching, leading and managing schools, training and professional development, and carrying out Ofsted inspections.

We have established excellent links and relationships with local, regional and national policy and decision makers. Our support networks mean that if we cannot help, we will find someone who can.

Who we are

All members of the Inspection Team are highly skilled education professionals who have occupied senior positions in schools or colleges. Most are Ofsted accredited practising Additional or Lead Inspectors. The team can also call upon the wide ranging expertise of a number of internal and external consultants, including local and national leaders of education, to ensure that support is matched to the needs of individual schools.

The team has a long history of working with schools and is proud to be associated with the significant success that Gatesheads schools and their children and young people continue to deliver and enjoy in the context of rising standards and ever more challenging demands.

What can we offer to you?

We offer significant expertise and experience to help you grow your capacity for continuous improvement.

In consultation with you, we will design and deliver customised packages of training and support that respond to your needs and address your concerns.

We can support every aspect of the School Improvement cycle from identifying issues to developing and delivering solutions and monitoring and evaluating impact. We can pitch and balance our support to match different school environments and the specific development needs of individuals, groups of staff and whole staff teams.

What areas can we support?

- All aspects of preparing for Ofsted Inspection
- Whole school, departmental, or phase reviews including Early Years Foundation Stage [EYFS]
- Improving the quality of leadership at all levels including support for new leaders
- Developing the challenge and support role of governors
- Improving the quality of teaching including joint observations and support where there is underperformance, work scrutiny
- Data Analysis including RAISE online analysis
- Using data to inform:- self evaluation and school improvement
 - Raising Attainment Plans
 - pupil tracking and target setting including evaluating and tracking progress in EYFS and for pupil groups
 - planning, evaluating and evidencing use of the pupil premium
 - benchmarking school performance
- Producing, evidencing, and summarising the School Self Evaluation
- Reports for Governors including school data and Annual Performance Reports
- Curriculum Review
- Safeguarding Review
- Behaviour and Safety Review
- Staffing issues including Performance Management
