RAISING ACHIEVEMENT

Why work with educationGateshead

We share a clear, common purpose with you to do the very best for children and young people, their families and their communities.

We will be honest with you when hard messages are needed, but will be there to help you to make the improvements necessary.

We have significant collective experience of teaching, leading and managing schools, training and professional development, and carrying out Ofsted inspections.

We are at the cutting edge of educational developments and practice through our innovative research programme and our direct involvement with many initiatives.

We have established excellent links and relationships with local, regional and national policy and decision makers. Our support networks mean that if we cannot help, we will find someone who can.

Who we are

We are the School Sport Partnership. The team comprises of dedicated, well qualified and highly skilled professionals in the fields of physical education (PE) and school sport development.

We are recognised sub regionally, regionally and nationally as a high achieving partnership. The team have significant experience of teaching, learning and managing high quality PE and school sport. In addition we provide training and professional development for teachers, ASLs and young leaders.

Within the context of PE and school sport we have significant and extensive local knowledge of schools and their staff, local people and their communities; and local authority systems. We enjoy established links and relationships with a range of key policy and decision makers.

Our innovative work and good practice has been recognised on many levels at both team and on an individual basis. We have been nationally recognised and acknowledged as high achievers within the field of PE and school sport.

The team has worked with schools since the introduction of School Sport Partnerships in 2002. We are proud to be associated with the significant successes, innovative practice and progress that has been enjoyed throughout this time.

What can we offer to you?

We offer our expertise, experience and a wide range of support for the development of physical education and school sport in all phases.

In consultation with you, we design and deliver customised packages of training and support that respond to your needs and address your concerns.

We can support all aspects of PE and school sport by identifying issues, developing solutions and monitoring impact.

We can pitch and balance our support to match different school environments and the specific development needs of individuals, groups of staff and whole departments.

The list provided below exemplifies the types of support that we are most often asked to deliver. This is not an exhaustive list and we are always happy to discuss other requirements including the establishment of new networks and competition structures in your locality.
